CORRECTION

Rona S. Weinberg, Judith D. Goldberg, J. Matthew Schofield, Alexandra L. Lenes, Roger Styczynski, and Blanche P. Alter. *The Journal of Clinical Investigation*, Vol. 71, No. 4 April 1983.

Page 792, two column headings in Table III ("Percent β " and "Correlation of $G\gamma$ and β ") are incorrect. The corrected headings ("Percent γ " and "Correlation of $G\gamma$ and γ ") appear in the Table III below.
