

Joiner, K.A.

*The Journal of Clinical Investigation*. Volume 99, No. 8, April 1997.

Pages 1814–1817 and cover figure.

Credit for the cover image was inadvertently omitted from the figure legend. The image was obtained by Dr. Anthony Sinai (Yale University) and Dr. Simon Paul (The Rockefeller University) as a result of a collaborative project between the laboratory of Dr. Keith Joiner (Yale University) and Dr. Michel Rabinovitch (in the laboratory of Dr. Gilla Kaplan, The Rockefeller University).
