The Journal of Clinical Investigation. Volume 100, No. 8, October 1997.

Pages 1980–1990.

The article “Regulation of the gp80 and gp130 subunits of the IL-6 receptor by sex steroids in the murine bone marrow” was incorrectly listed under the Table of Contents subheading *Atherosclerosis / Thrombosis / Vascular Biology*. It should have appeared under the subheading *Hormones / Cytokines / Signaling*. The editors regret this error.
