

Bradley, D.S., G.H. Nabozny, S. Cheng, P. Zhou, M.M. Griffiths, H.S. Luthra, and C.S. David.
The Journal of Clinical Investigation. Volume 100, No. 9, November 1997.

Pages 2227–2234.

There was an error in the Results section, page 2231, last sentence of the second full paragraph. The sentence should read as follows:

The anti–mouse CII IgG response was also significantly less than B10.T(6R) mice ($P = 0.01$).
