ACTH AND CORTISONE IN CONGENITAL ADRENOMETABOLIC SYNDROME

22. Unpublished data.

27. Albert, A., Personal communication.

ERRATUM

In Table VII of the article entitled "Acetylation Studies in Human Subjects with Metabolic Disorders," by H. Gershberg and W. J. Kuhl, Jr., in the December 1950 issue (pp. 1625-1632), the values for both total and free serum cholesterol are mgm. per cent rather than as erroneously given.
