JCI The Journal of Clinical Investigation

STK4 regulates TLR pathways and protects against chronic inflammation–related hepatocellular carcinoma

Weiyun Li, ..., Bin Wei, Hongyan Wang

J Clin Invest. 2025;135(8):e193453. https://doi.org/10.1172/JCI193453.

Corrigendum

Original citation: J Clin Invest. 2015;125(11):4239-4254. https://doi.org/10.1172/JCl81203 Citation for this corrigendum: J Clin Invest. 2025;135(8):e193453. https://doi.org/10.1172/JCl193453 The authors recently became aware that in Figure 8D of the original article, the two representative images for the Stk4ΔM/ΔM group were different crops of the same image. The correct panel, showing independent biological replicates provided from the original source data, is shown below:

Citation for this corrigendum: J Clin Invest. 2025;135(8):e193453. https://doi.org/10.1172/JCI193453.

The authors recently became aware that in Figure 8D of the original article, the two representative images for the $Stk4^{\Delta M/\Delta M}$ group were different crops of the same image. The correct panel, showing independent biological replicates provided from the original source data, is shown below:
