

Corrigendum to STAT1 promotes megakaryopoiesis downstream of GATA-1 in mice

Zan Huang, ... , Mitchell J. Weiss, John D. Crispino

J Clin Invest. 2025;135(14):e195974. <https://doi.org/10.1172/JCI195974>.

Corrigendum

Original citation: *J Clin Invest.* 2007;117(12):3890–3899. <https://doi.org/10.1172/JCI33010> Citation for this corrigendum: *J Clin Invest.* 2025;135(14):e195974. <https://doi.org/10.1172/JCI195974> The authors recently became aware that Figure 6G in the original article was an inadvertent duplication of 6K. The correct Figure 6, D–K, provided from the original source data, is shown below. In addition, the authors were unable to retrieve the original source data for the STAT1 immunoblot in Figure 4C. An updated figure panel, derived from original source data from a replicate experiment, is provided below. The authors regret the errors.

Corrigendum

Corrigendum to STAT1 promotes megakaryopoiesis downstream of GATA-1 in mice

Zan Huang, Terri D. Richmond, Andrew G. Muntean, Dwayne L. Barber, Mitchell J. Weiss, and John D. Crispino

Original citation: *J Clin Invest*. 2007;117(12):3890–3899. <https://doi.org/10.1172/JCI33010>.

Citation for this corrigendum: *J Clin Invest*. 2025;135(14):e195974. <https://doi.org/10.1172/JCI195974>.

The authors recently became aware that Figure 6G in the original article was an inadvertent duplication of 6K. The correct Figure 6, D–K, provided from the original source data, is shown below. In addition, the authors were unable to retrieve the original source data for the STAT1 immunoblot in Figure 4C. An updated figure panel, derived from original source data from a replicate experiment, is provided below.

The authors regret the errors.
