### **Correction**

Citation for this correction: *J. Clin. Invest.* 1998;101(11):2609. doi:10.1172/JCI68706. It was brought to our attention recently that there is a problem with pagination in the March 15, 1998 and April 1, 1998 issues of *The Journal of Clinical Investigation*. The last 200 page numbers of the March 15 issue were repeated in the first 200 page numbers in the April 1 issue, creating overlapping citations. Database searches will not be affected because articles are not searched by page number, but rather by author names or article titles. The affected articles are as follows: Start page 1310: Lomri et al. 3/15 and Evers et al. 4/1 Start page 1362: Mohan et al. 3/15 and Funk et al. 4/1 Start page 1379: Teoh et al. 3/15 and Taylor et al. 4/1 Start page 1468: Kim et al. 3/15 and Liaw et al. 4/1 The Publisher sincerely regrets this error.
