Assistant Professor

Departments of Cancer Biology
Dana-Farber Cancer Institute and
Cell Biology
Harvard Medical School

The Departments of Cancer Biology at the Dana-Farber Cancer Institute and Cell Biology at Harvard Medical School invite applicants for a tenure-track faculty position at the rank of Assistant Professor or Associate Professor. We are seeking individuals with a demonstrated potential for imaginative research and who propose to work on exciting problems in any area of Molecular Metabolism. We are especially interested in candidates who utilize metabolomics, proteomics or both to uncover novel metabolic pathways in health and diseased states. The successful candidate will be expected to direct innovative and independent research and participate in the teaching of graduate and/or medical students. Our highly interactive environment provides the opportunity to engage and collaborate with other dedicated researchers both within the Division of Metabolism and Chronic Disease of the Cancer Biology Department (chaired by Bruce Spiegelman) and throughout the diverse Harvard research community. Significant scholarly and scientific resources will be made available for this appointment. Applicants will be housed in new space at the Dana-Farber Cancer Institute. For further information about our Department, please see our web page: <http://www.dana-farber.org/Research/Departments-and-Centers/Department-of-Cancer-Biology.aspx>

Applicants should submit electronic copies of their curriculum vitae, a description of research accomplishments and future research interests (three pages maximum), and ask at least three references to provide letters of recommendation. These materials should be submitted using the following link: <https://academicpositions.harvard.edu/postings/5815>. Please contact Kim Wilkinson (Kim.Wilkinson@dfci.harvard.edu) with any questions regarding submission of documents.

Applications must be received by: February 28, 2015.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law.

Faculty Positions Available Physician Scientist Cardiovascular Medicine

Stony Brook University School of Medicine, Department of Medicine, seeks a full-time faculty member at the Assistant or Associate Professor level. Physician Scientists with a focus on clinical and translational or basic research pertaining to cardiovascular diseases are preferred. Required qualifications include M.D. or equivalent, Board Certified in Internal Medicine. Board Certified/Eligible in respective subspecialty area and experience in clinical care and teaching. Minimum two years of postdoctoral research experience and relevant publications.

To qualify for an appointment as an Associate Professor, the candidate must meet the criteria established by the School of Medicine (School of Medicine's Criteria for Appointment, Promotion and Tenure).

To apply, submit a State employment application, cover letter and resume/CV to:

**Javed Butler, M.D., Professor of Medicine
Division Chief of Cardiology
Health Sciences Center
Tower 16 Room 080
Stony Brook University
Stony Brook, NY 11794-8167**

For a full position description or to apply online, visit www.stonybrook.edu/jobs (Ref. # F-9327-14-11).

Stony Brook University/SUNY is an equal opportunity, affirmative action employer.
